

Member Club - Memo

Dear Member Club,

Over the past year we have been working with TTG Custom Signage to provide our Member Clubs with preferred prices on granite yardage plates. Many of our clubs have participated in the program and are very happy with the product and the service they have received.

If you are in the market for new signage, we would advise to get your order in as soon as possible to take advantage of the 2008 prices before there is a price increase. Please see the attached memo direct from the manufacturer.

Best Regards,

Scott Whitcomb
Director of Field Operations

OFFICIAL MANUFACTURER OF YOUR GOLF ASSOCIATION YARDAGE MARKERS

TAKE ADVANTAGE OF OUR 2008 PRICES FOR 2009

We understand how important it is to shop for the best price. Therefore, while our 2008 inventory supply lasts, we would like to extend to all Association Members our 2008 prices for orders placed now. Once this current inventory is exhausted there will be a price increase for all 2009 TTGCS products.

Current inventory is depleting rapidly. We are forecasting it will be sold out soon at which point the new pricing will come into effect.

We recommend you take advantage of this limited time offer by securing your order today.
