In 2003 The First Tee of Massachusetts was established and has been growing ever since. The First Tee of Massachusetts along with the MGA Junior Golf Fund have provided clinics and course access to children who might not otherwise have the opportunity to learn the great game of golf. We are making a positive impact on thousands of children each year. The First Tee of Massachusetts and the MGA Junior Golf Fund work with dozens of youth agencies in over 90 cities and towns throughout Massachusetts. The unique life skills and core values of the game teach important lessons that can positively impact the lives of all that play. The participation level of The First Tee of Massachusetts has increased the past 5 years to reach nearly 4,000 children annually. With your help we will continue our efforts to reach out to the youth of this great state.
