

The MGA's Special Member
HOLE IN ONE PROGRAM

ABOUT THE PROGRAM

Since 2000, the Massachusetts Golf Association has recognized individuals from the Bay State who have scored a hole in one by posting names and details about the feat on its web site, www.MGALinks.org, and mailing certificates signed by the organization's executive director.

New for the 2008 season, the MGA launched a special bag tag program. As part of this new member service, all individuals who submit hole-in-one information will receive a brass colored bag tag that includes details about the accomplishments. In order to receive your bag tag, you must submit the following information via fax or email. If you scored a hole in one in previous years, you are still eligible to receive a bag tag *but* you must submit all of the required information below. Please allow 4 to 6 weeks for delivery as these are personalized bag tags.

HOLE IN ONE INFORMATION FORM	
Player Name: _____ GHIN # _____
